

Orion Gold_{NL}

Orion Gold NL is an Australian gold exploration company focused on delivering value to shareholders through the successful exploration of the Company's highly prospective tenement holdings located in the Walhalla goldfield of Victoria.

The prospectivity of the Walhalla goldfield is supported by fact:-

- The Walhalla region is Victoria's sixth largest historical gold producing region with over 400 known reef and alluvial gold deposits;
- The historic Cohen's Reef was mined to a depth of over one kilometre and produced 1.5 million ounces of gold at a grade of 30 g/t Au;
- The many known gold bearing reefs located within the Walhalla goldfield highlight the enormous potential of the Company's large tenement holdings; and
- Orion Gold's Walhalla Project is located in one of the world's major orogenic gold provinces.
